STUDENTS 3210

Equal Education, Nondiscrimination and Sex Equity

Equal educational opportunities shall be available for all students without regard to race, color, national origin, ancestry, sex, ethnicity, language barrier, religious beliefs, physical and mental handicap or disability, economic or social conditions, or actual or potential marital or parental status or status as a homeless child. Any student may file a discrimination grievance using the procedure that follows this policy.

No student shall, on the basis of sex, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Inquiries regarding discrimination or intimidation should be directed to the District Title IX Coordinator. An individual with a complaint alleging a violation of this policy (Policies: 3200, 3225, 3226) shall follow the Uniform Grievance Procedure (Policy 1701).

In compliance with federal regulations, the District will notify annually all students, parents, staff, and community members of this policy and the designated coordinator to receive inquiries. Notification should include the name and location of the coordinator and will be carried in all handbooks.

The District will not tolerate hostile or abusive treatment, derogatory remarks, or acts of violence against students, staff, or volunteers with regard to race, color, national origin, ancestry, sex, ethnicity, language barrier, religious beliefs, economic or social conditions, actual or potential marital or parental status, status as a homeless child, and physical or mental handicap or disabilities. The District will consider such behavior as constituting discrimination in violation of state and federal law.
