Political Activity - Staff Participation

The board recognizes its individual employees' right of citizenship, including, but not limited to, engaging in political activities. An employee of the District may seek an elective office, provided that the staff member does not campaign on school property during working hours and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available. In the event the staff member is elected to office, the employee is entitled to take a leave of absence without pay, in accordance with the provisions of § 2-18-620, MCA.

No person may attempt to coerce, command, or require a public employee to support or oppose any political committee, the nomination or election of any person to public office, or the passage of a ballot issue.

No District employee may solicit support for, or opposition to, any political committee, the nomination or election of any person to public office, or the passage of a ballot issue while on the job or at his place of employment. However, nothing in this section is intended to restrict the right of a District employee to express his personal political views.
