Crowdfunding Proposals

All crowd funding requests and receivables are governed and supervised by board policy. Crowd funding endeavors are generally viewed as beneficial when coordinated with district goals, initiatives, and existing plans. Proposals, products, and resources generated through crowd funding must receive prior approval from the Superintendent or designee. Approvals for proposals or gifted resources may be denied based upon but not limited to: technology, curricular, and/or activities incompatibility; long term sustainability concerns regarding materials, service, and/or staffing; conflicts with district initiatives, state or federal law.

If a proposal is successfully funded:

- The author(s) shall immediately notify their supervisor or Superintendent.
- All awarded funds/materials should be requested to be mailed/delivered to the school in the name of the school, not to an individual person.
- All gifts, grants, bequests and contributions must be officially accepted in accordance with Policy 7260 (Endowments, Gifts, and Investments).
- All non-monetary items (supplies, equipment, etc.) obtained are the property of the Corvallis School District and all inventory procedures apply, and, if applicable, will remain in the school where the author(s) was (were) located at time of the grant award.
- The business manager shall record all monetary donations with applicable and appropriate budget codes giving consideration to the context and intended use(s) for which funds were acquired.

Only district related/approved groups are permitted to operate under this policy and non-District groups may not use the District's name, network or infrastructure to conduct online fundraising.
