

SCHOOL SITING PROCEDURES

School Siting Procedures

The Board may form a school siting committee that reflects a cross-section of stakeholders of the Corvallis School District. The board shall determine the makeup of the committee.

1. The committee shall review the School Facilities Plan and assess how the plan accords with the current issues and decision in question.
2. The committee shall obtain and review all relevant data related to educational needs, physical needs, populations, etc.
3. The committee should consider and assess potential sites through an on-site visit, assessing for: environmental considerations, travel routes on-site and around the neighborhood, and benefits/drawbacks of each site.
4. The committee shall provide significant opportunities for public participation at all stages of the process, including forums or comment periods held both before and after recommendations are developed.
5. The committee shall make a recommendation to the School Board that is consistent with Board Policy.
