NEW ... Child And Babysitting Safety (CABS)

Babysitting is usually a teenager's first attempt at building and running a small business. Our new *Child and Babysitting Safety (CABS)* course is designed to engage and inform the aspiring babysitter. It gives teenagers (ages 11-15) everything they need to know, from getting started, to dealing with parents and children, to key safety, caregiving, and first aid tips.

Course includes:

- Safety and Injury Prevention - Guidelines to make sure that everyone stays safe
- Leadership - Strategies to build confidence when responding to conflict
- Play Time - Tips on age-appropriate play and staying involved
- Basic Caregiving Skills - Feeding, burping, diapering, and safe sleep practices
- First Aid - Establishing responsibility, knowledge, awareness, to protect others.

This new one day 6 hour course will allow a one hour lunch break. Students can bring their own lunch or purchase a lunch in the Cafeteria.

Limited space register today!

The cost of (CABS) Child and Babysitting Safety Class is \$40.00.

For more information call 375-4654. Please register for class by going to our website at www.mdmh.org and see classes and events.
